

LOOKING TO DO A FUND RAISER FOR YOUR GROUP? TALK TO US TODAY!

Station 300 is your #1 place to raise funds for your group, team, organization or charity. Fundraiser sessions are available April through September when lanes are available! Never worry about buying and selling products again!

We offer a 2-hour bowling session with shoes per person for only \$8.00 per person. Your group can charge whatever you like above that price per person, so for example if you have 40 bowlers and you charge \$20.00 your group will earn \$480.00 in just 2 hours.

If your group pays for 50 to 99 bowlers your fee drops to \$7.00 per person, and if you have 100 bowlers or more only \$6.00 per person.

We also offer food options you can purchase for your group, such as \$10.00 one topping pizzas. Our sales associate will work with you on other food and arcade packages.

We also suggest you run silent auctions or raffles to enhance your fundraising opportunities. Station 300 will work with you to make this an annual event full of fun and memories!

(all food and beverage must be purchased through Station 300)
